There are two ways for teams to get out and ride this summer:

1. Join us for a small, physically distant ride on a weekend in August. More details and information on how to reserve specific time slots to come!

2. Ride Your Own Way at any time, any location and any distance. Coordinate a date and time between August 1 and 21 with your team members so that you’re all riding “together”!

Your role:

- Cancer won’t stop, and neither will we. We need you to keep recruiting teammates, raising funds and riding with your team members. Use the “Ride Your Own Way” option to your advantage when recruiting! This is the perfect way to gather people of all ages and skill levels since there are no rules to follow except to have fun. The options are endless!

- We’ve eliminated fundraising minimums and registration fees. Riders can revel in the satisfaction that, now more than ever, EVERY DOLLAR COUNTS in the fight against cancer!

- Most importantly, we’re asking that you and your team members help take over wherever it is that you live from August 1-21 on your bikes. Wear your T-shirts loud and proud and help spread the spirit of the Ride.

Get ready to get creative!

- The annual team T-shirt and tent decorating contests? We’re still having both!

- Team photo to commemorate the Ride? You still can! Details to come, but we’re going to need you to put on your creative caps for some fun and exciting challenges this summer!

If your team members are full of questions, check out the helpful FAQ on the next page.

DO I HAVE TO PAY A REGISTRATION FEE FOR THE SUMMER OF THE RIDE?
No! We understand that this is a difficult time for many, so we have waived the registration fee AND fundraising minimums. If you registered before April 30 and paid a registration fee, your $20 registration fee will be credited to your fundraising page. Additionally, all riders registered before May 1 will be given a code for free registration for the 2021 Ride for Roswell.

ARE THERE STILL RIDER & TEAM REWARDS?
Yes! And we’ve added even more reward levels! Check out everything HERE. This year, Rider Rewards are cumulative. We will be mailing Rider Rewards as you earn them. The funds raised prior to May 1 will still count toward rewards.

CAN WE REGISTER OR FUNDRAISE AS A FAMILY OR TEAM?
To ensure that you receive rewards for every person in your family or team, each individual needs to register separately. We also encourage you to register individually so we can properly track riders and fundraising.

WHAT IF MY GROUP IS FEWER THAN 10?
That’s okay! Groups of any size 10 and under can reserve a time slot for our organized rides.

WHAT IF MY TEAM HAS MORE THAN 10 PEOPLE?
To follow current New York State guidelines for physical distancing, we are only allowing groups of up to 10 people to start at a time. If your group is larger than 10 people, you can consider creating your own route. Check out our website for a few suggestions on how to plan your own route!

CAN I DROP OFF MY DONATIONS?
Our office is currently closed for visitors and drop-offs. Check donations can be mailed to: Roswell Park Alliance Foundation, PO Box 644, Buffalo, NY 14240-0644. Include this sheet with your check and make sure the check is made out to “Ride for Roswell” and the rider’s name is listed in the memo field.
